SIR,

I have the honor to state that at the last meeting of the Food Supplies Committee, the question of the revision of the prices of food grains fixed by Government was considered and a resolution passed as per extract annexed.

2. The revision of rates proposed is mainly in accordance with the recommendations of the Deputy Commissioners of Districts.

3. The Government have already in their Notification No.G.12486/P.P.134-18-134 dated 25th ^{ultimus} ~~instant~~ adopted the revised rates recommended in respect of commandeering prices of ragi in the Tumkur, Hassan and Kadur Districts and the retail maximum price of ragi within the Chickballapur and Bagepalli towns.

4. In regard to the revision of the prices of rice proposed by the Committee, on further consideration I am of opinion that these may be left alone for the present, but that the attention of all officers and the public generally drawn to the foot note in Government Notification No.G.9339/P.P.134-18-22 dated 25th November 1918 about the prices of paddy and rice of the new harvest being 20% lower than the rates fixed in that Notification.

5. The resolution of the Committee may, however, be

SIR,

In continuation of my letter No.1814 dated the 2nd/3rd January 1919 in the matter of the revision of the prices of food grains fixed by Government, I have the honour to state that the prices given for rice in the statement attached thereto are for the rice of the new harvest in the Hassan and Kadur Districts and for the old stock of rice in the Tumkur District. This point may be kindly made clear in notifying the rates suggested.

The Deputy Commissioner, Kolar District, recommends that the maximum retail price of ragi in the Goribidanur Taluk may be raised from 11 seers to 10 seers per rupee as the stock has to be drawn mostly from the Dodballapur Taluk where the maximum price is 11 seers per rupee. This was considered in the Food Supplies Committee also and has been approved by the Committee. This change may also be kindly sanctioned and notified.

The commandeering price of 3rd class rice in the Hassan District has been put down in the copy of the Proceedings of the Committee, by a clerical mistake, as ₹12/-

~~Department~~

SIR,

With reference to your letter No.G.14760/P.P. 134-18-216 dated the 18th January 1919 regarding the revision of prices of food grains fixed by Government, I have the honour to state that it has since been considered desirable to fix prices for each Taluk separately so as to make due allowance for the cost of transport from the producing to the consuming centres, as a uniform rate for the whole District was found to work as a hardship on the latter area. I have accordingly called for proposals from the Deputy Commissioners and on receipt of proposals from them, I shall address the Government in the matter.

In the meanwhile, I request that a notification may be kindly issued increasing the retail maximum price of ragi in the Goribidnur Taluk from 11 to 10 seers per rupee.
